## **Time to stand up!**

Dear Colleagues,

Following the result of the referendum organized by the unions and supported by the management, we inform you that:

**Strike organized by the Unions will take place on  
Monday 14/05 and Wednesday 16/05.**

**We do ask you to stand up in front of the crew room at 5:30 am.**

If you are on duty in Brussels, stop your duty and join us.

If you are in outstation, bring back the aircraft in Brussels and join us.

If you have a simulator session, attend it.

If you are in day off, join us in uniform.

We sincerely hope the management will recognize how serious their situation is, and take short-term corrective actions.

**You are THE KEY to OUR success.**
